2027 · 2570

This 2027 calendar features pictures by a variety of photographers. We are grateful for their generous contribution.

LUNAR OBSERVANCE DAYS • • • • •

These days are devoted to quiet reflection at the monastery. Visitors may come and take the precepts for the day and join in all or part of the extended evening meditation.

The dates for the lunar calendar are determined by traditional methods of calculation, and are therefore not always the same as the precise astronomical occurrences.
